Grades 4-5 12:45PM-1:45PM, 8 weeks

Suggested Donation: this class is being taught free of charge; donations you make for your child to participate in this class will directly go toward providing a scholarship for a student in need taking another class.

For the 3rd year, the UCSC Center for Public Philosophy will facilitate an introduction to PHILOSOPHY geared toward elementary children. The goal is to provide a space for students to wonder, discuss, and critically explore philosophical questions together. Various philosophical topics will be covered, such as: Logic, Ethics, Epistemology (What does it mean to know something?), or Metaphysics (Do we have free will? What are time and space?).

**BEACH VOLLEYBALL on MAIN BEACH!** with Liz Fowler

Grades 4-5 3:00PM-4:30PM, 8 weeks

Suggested Donation: \$80

Build confidence in a supportive and empowering environment with basic skill development in passing, setting, hitting, and serving. Emphasis is equally divided between FUN competitive play, improvement, and skill development. Skills, Drills, and Techniques! Note: Students will meet at Main Beach.

## WEDNESDAYS (continued)

**LEGO Computer Robotics 1: Ingenious Engineering** with Kristine North  
Grades 3-5 12:35PM-3:00PM, **3 weeks (10/10, 10/17, 10/24)**

Suggested Donation: \$90

Explore the world of engineering and have FUN! You and your partner build a machine from LEGO sets that include motors, lamps, and sound. Would you like to build a carnival ride, metal crusher, or hopping robot? Plug your machine into the computer interface board and learn to write programs in Logo to control its' movement. You can even make digital music or memos! Demonstrate your creation to family and friends during the last class.

**SPANISH in the LIFE LAB GARDEN using our 5 senses** with Francisca Fuller **AT BAY VIEW**

Grades 2-5 12:45PM-2:15PM

Suggested Donation: \$80 (includes materials)

Students will have the opportunity to practice Spanish through fun, interactive, hands-on activities. We will read simple stories, taste yummy snacks, and create crafts using recycled materials along with beautifying the school's garden. **This class is offered at Bay View Elementary School.**

## THURSDAYS                      SEPTEMBER 27

~~Grades 1-3 2:30PM-3:30PM, 8 weeks                      Spaces Available: 15~~

~~Suggested Donation: \$75~~

~~Students will create a puppet adventure story in which the kids see a new "chapter" each week, followed by theater movement games. After a number of weeks, we will make simple puppets and create a show the kids can perform. The style of puppetry and storytelling is nature-based and puppets are needle-felted.~~

**THE "WHEEL TOOTH" ABOUT GEARS** with Kristine North Oct. 4th (session A) & Nov 1st (session B)

Grades 1-3 2:30PM-4:30PM, 3 weeks                      (Session A: 10/4, 10/11, 10/18)                      (Session B: 11/1, 11/8, 11/15)

Suggested Donation: \$80

Explore the world of hands-on mechanics using LEGO materials! Students work individually or with a partner to build moving models from an assortment of bricks, numerous gears, wheels and axles. Discover how gear arrangements can change the direction of motion as well as the amount of force in machines. You choose which machines to construct; such as the dancing birds, speedy top spinner, monkey drummer or zippy car. Students won't take their LEGO projects home but parents are invited for demonstrations.

## FRIDAYS                              SEPTEMBER 28

**FLAG FOOTBALL** with Liz Fowler

Grades 4-5 2:30PM-4:15PM, 10 Weeks

Suggested Donation: \$80
