

# Westlake Science Fair

Thursday February 1, 2018

The Westlake Science Fair is a chance for budding scientists of all ages to explore the world around them and to share their findings with the Westlake community.

Students can work alone, or in groups of up to three, on a project that answers a scientific question that interests them.

Individual students or teams must turn in their Science Fair entry forms by Friday January 12<sup>th</sup> 2018.

Parents will receive additional details and an entry form via email. A limited number of paper copies will also be available at the office.

**Questions?** Contact science fair coordinators Vicki Stone and Jack Lee at [westlake.sciencefair@gmail.com](mailto:westlake.sciencefair@gmail.com).
