

Join the GLOBAL CITIZENS COMMITTEE (GCC)!

-a Westlake PTA sponsored program-

WHAT IS THE GCC?

As our world is more interconnected each day, providing our children with opportunities that develop their knowledge of cultures around the world is fundamental. Using the Westlake community as our building block, we can explore and celebrate global cultures; cultivating our students into global citizens. A global citizen recognizes that every individual has had different experiences. We all have something to offer and can learn from each other. The GCC's purpose is to help develop our students' global cultural competence about the world they live in. "Cultural competence" includes being aware of one's own cultural worldview; an openness to others' cultures; knowledge of different cultural practices and world views and cross-cultural skills. The GCC strives to develop Westlake students' cultural competence and worldliness so that they can be authentic global citizens, no matter where they are in the world. We will do this by adding multi-cultural exposure to our PTA-school activities, assemblies, and school culture—such as last year's International Day/Night.

Join us in planning this year's goals, events & more! Meetings coming soon!
