

Westlake PTA Volunteer Opportunities 2015-16

Dear Parents,

Welcome to Westlake Elementary School! It is an exciting time with so many activities and opportunities. It is also time to start the recruitment of volunteers to assist on PTA committees and school support services. Please consider being actively involved in your child's education by helping at school. It is understood that every parent cannot give time during the school day; however, there are many opportunities to help your child's school at other times and in other ways.

Please review the volunteer opportunities listed here. You will see that the opportunities to serve as a volunteer at Westlake are varied and abundant.

Thank you for your interest in volunteering for the Westlake PTA!
