Dear Westlake Families,

Your support and participation is what makes our Westlake school community so amazing! The 2022/2023 school year is off to an incredible start. In these first two and a half months we have already come together in-person at Coffee & Community, the Back to School BBQ, Movie Night and Spooky Story Night. **In the spirit of building and supporting our community, we write to you with our yearly direct appeal.** Your donations allow Westlake to offer fundamental educational experiences that the state and district are not able to provide.

Because of your support, students have access to eight learning assistants (the most we've ever funded), dance in all grades, music starting in TK/K instead of 3rd, increased time in Life Lab with Teacher Jane, playground coaches, and enriched learning experiences (including chess and math club). Because of your support, teachers have more resources to support their classroom needs and the art program has enhanced supplies.

**The suggested donation amount if you have one student enrolled at Westlake is \$300. If you have more than one student enrolled at Westlake, the suggested donation amount is \$500.** Our goal is for every family to participate this year at the level they are able to; your participation is what matters. Every donation and every dollar makes an impact on every student's experience at Westlake, no amount is too small!

We are excited to offer an incentive again this year! Families that contribute \$500 (if you have one student at Westlake) or \$750 (if you have more than one student) will receive a special edition Westlake tote bag. Your tote will be hand block printed by local artist and Westlake parent, Joan Bogart, and will be filled with wine and other goods.

There are many ways to donate to the direct appeal; more detailed information can be found on the following page and at [supportwestlake.org/donate](http://supportwestlake.org/donate)

We are very grateful to be in the Westlake Wildcat family with you and we thank you very much for your financial support. **Your generosity enables Westlake Elementary School, our community, and our children to thrive.**

With Great Appreciation,

Tori Ow, PTA President and Joan Bogart, PTA Vice President
